Professional Summary

I am a passionate and self-motivated Digital Marketing graduate with practical experience in WordPress website design using Elementor, Shopify store development, and graphic design with Canva. Skilled in key digital marketing areas including SEO (on-page), content creation, social media marketing, campaign planning, and basic email marketing. I focus on building visually appealing, user-friendly, and fully responsive websites tailored to both brand goals and user experience.

Core Competencies

- WordPress Website Development (Elementor)
 - Shopify Store Creation & Customization
 - On-Page SEO
 - Responsive Web Design & UX Optimization
 - Content Writing & Blogging (Blogger.com)
 - Canva Graphic Design
 - Website Performance Optimization
 - Client Communication & Project Delivery
-

Professional Experience

Web Developer & SEO Executive (Intern)

Skill Minds Solutions – Remote

Aug 2024 – Oct 2024

- Developed SEO-friendly, responsive websites using **WordPress and Elementor**.
