WORK EXPERIENCE

Canz Technologies

Oct 2024 - Present

Digital Creator

I create engaging social media designs, app screenshots, logo designs, logo animations, and 2D animations, contributing to strong brand presence and enhanced user experiences across various platforms.

Pine DigiMar International

July 2024 - Oct 2024

Digital Creator

I design social media visuals, logos, and animations, as well as create 2D animations and edit videos, delivering compelling content that strengthens brand identity and engages audiences.

Digitize 21

Jan 2024 - July 2024

Senior Digital Creator

I create impactful visual content, including graphics, videos, and animations, to enhance brand messaging and engage audiences across various platforms.

EVO Visuals

2023 - Present

CEO and Digital Creator

As CEO, I lead company strategy and operations while also working as a graphic designer, video editor, and 2D animator, bringing creative ideas to life through visual media. My role combines leadership, creativity, and technical expertise to drive success across multiple disciplines.

Cyber River Tech Ltd, Dubai

May 2023 - 2024

Graphic Designer (Remote)

I specialize in redesigning documents and creating logos, letterheads, posters, electronic stamps, and ads to strengthen brand identity and visual communication.

Service Genix Ltd, Dubai

2022- May 2023

Graphic Designer (Remote)

I specialize in redesigning documents and creating logos, letterheads, posters, electronic stamps, and ads to strengthen brand identity and visual communication.

ARAC

Nov 2022- May 2023

CEO and Product Manager

I oversee decision-making, strategic planning, and execution, while driving product development and creating impactful designs that align with the company's vision and goals.

Punjab IT Board (PITB)

May 2022 - Oct 2023

Internship from Regional Plan

In my role, I manage e-filing, portal operations, and Excel-based data tasks while overseeing the progress of the startup, ensuring smooth operations and efficient tracking of key metrics.

Onyx Inter-sciences (OIS)

April 2022- May 2022

Research Analyst and Graphic Designer

I handle article publishing, along with designing posters and logos, creating visually appealing content that engages audiences and strengthens brand presence.
