PROFILE

Results-driven App Store Optimization (ASO) and Mobile App Marketing Specialist with over 1.5 years of hands-on experience optimizing Android and iOS apps to increase visibility, downloads, retention, and revenue. Proven expertise in keyword research, competitor analysis, A/B testing, and paid advertising strategies across various channels. Strong command of app store algorithms, user behavior analytics, and conversion optimization to drive sustained app growth and improve store performance. Collaborates effectively with product, design, and development teams to execute data-backed ASO and marketing campaigns.

WORK EXPERIENCE

Cybron 2023 - 2024

ASO (App store optimization)

- Conducted keyword research and optimized app metadata, resulting in a 20% increase in app visibility and downloads.
- Monitored app performance metrics and analyzed competitor trends to improve ASO strategies.
- Collaborated with the marketing team to implement in-store promotional campaigns, boosting user engagement and retention rates.

Gamican 2024 - Present

ASO & App Marketing

- Improved app visibility and downloads through strategic ASO on Google Play and App Store.
- Performed keyword research, optimized titles/descriptions, and designed high-converting icons and screenshots.
- Ran A/B tests and implemented data-driven changes to boost conversion rates.
- Executed localized ASO strategies to reach global audiences.
- Monitored KPIs like CVR and retention to optimize performance and user acquisition.
