WORKING EXPERIENCE :

Graphic Designer & Animator

Midline Solution | MAY 2023 - Present

- Collaborated with gaming streamers and brands to design custom logos, overlays, emotes, and animations, enhancing their visual identity and online presence.
- Created motion graphics, transitions, and animated assets for live streaming platforms like Twitch and YouTube, improving viewer engagement.
- Developed promotional materials, including social media graphics, banners, and video ads for various clients across different industries.
- Utilized Adobe Creative Suite (Photoshop, Illustrator, After Effects) to produce high-quality, visually compelling designs.
- Provided design solutions tailored to the unique needs of clients, resulting in increased brand recognition and audience retention.

Graphic Designer

Freelance | Jan 2020 - Present

- Designed logos, print materials, and web graphics for small businesses and individual clients, strengthening their visual identity and market presence.
- Created animated assets and motion graphics for digital marketing campaigns, resulting in increased engagement and brand visibility.
- Provided clients with creative solutions tailored to their specific needs, ensuring effective communication through visual storytelling.
- Worked independently, managing client communications, project timelines, and deliverables.
