

SABA FARRUKH

Graphic Designer

0331-7256376 | sabafarrukh012809@gmail.com

WORK EXPERIENCE

Graphic Designer , US Learning Hub

July 2024 - August 2024

- **Post Creation:**

1. Designed posts for various purposes, such as promoting a Frontend Developer course and Fiverr gigs.
2. Utilized Adobe Photoshop and Canva to create visually appealing and effective posts.

- **Project Management:** Managed project timelines and delivered projects on deadline.

- **Design Efficiency:** Consistently fulfilled tasks on time, delivering efficient and high-quality designs that satisfy customers.

- **Client Collaboration:** Created posts and designs according to customer demands, ensuring their vision is accurately represented and expectations are exceeded.

Internship in Graphic Designing , Asta Aray

July 2024 - August 2024

- **Post Creation:**

1. Created posts for the company using Adobe Photoshop.
2. Removed backgrounds from various images using tools such as the Polygonal Lasso Tool, Magnetic Lasso Tool, Object Selection Tool, and Quick Selection Tool.
3. Placed images with their names and descriptions, performing edits such as adding strokes and drop shadows for clarity.
4. Selected appropriate fonts and font sizes according to client requirements and ensured relevant alignment.

- **Timely Project Completion:** Completed projects on time and often ahead of schedule.

- **Software Proficiency:** Currently completing tasks for the company, primarily using Adobe Photoshop for designing and editing posts.

Youtube Channel Manager , Trendy Talks

Jan 2024 - Apr 2024

- **Video Production:** Independently create, record, edit, and upload tech-related videos.
- **Trending Content:** Create short videos on trending topics.

Internship in Graphic Designing , xkiyal

Dec 2023 - Apr 2024

- **Logo Design:** Designed logos for various companies as part of my tasks.
