

FARWA ALI

GRAPHIC DESIGNER | LECTURER | UI/UX DESIGNER

farwaali7700@gmail.com | +92 328 1652708 | Faisalabad, Punjab, Pakistan

PROFESSIONAL SUMMARY

Creative and results-driven designer with expertise in both UI/UX and Graphic Design, skilled in crafting user-friendly digital experiences and visually compelling designs. Proficient in Figma, Adobe Photoshop, Illustrator, InDesign, and Canva, with a strong understanding of design thinking, color theory, typography, and modern design trends. Adept at creating wireframes, prototypes, and responsive layouts that combine aesthetics with functionality. Passionate about transforming ideas into impactful digital products and brand identities that engage and inspire users.

WORK EXPERIENCE

UI/UX Design Intern

FEB 2025 – JUNE 2025

Dental Web Solutions

- Successfully designed and developed a responsive website for a dental service company catering to dentists.
- Worked with Figma, Adobe XD, and Canva to design visually appealing layouts and branding elements.
- Collaborated with senior designers and developers.
- Enhanced the website's interface with clean, modern, and user-centric design solutions.
