

M USMAN FAROOQI

Sr. Graphic Designer

EXPERIENCES

ADVANCED APPSOL TECH SENIOR GRAPHIC DESIGNER

May 2021 – Current

As Senior Team Lead Designer at Advanced Appsol, I manage a design team, oversee projects, and ensure client satisfaction. I specialize in Adobe Creative Suite, Sketch, and Figma, while mentoring junior designers and handling multiple projects efficiently.

GOALTECH TECHNOLOGIES GRAPHIC DESIGNER

Jan 2019 – Feb 2021

At Goaltech, I worked as a Graphic Designer, focusing on creating user-friendly app designs. I collaborated closely with developers to deliver seamless UI/UX experiences using tools like Adobe XD, Figma, and After Effects. I created designs optimized for various screen resolutions.

I create visual concepts using computer software or by hand to communicate ideas that inspire, inform, and captivate consumers.

EDUCATION

SOFTWARE ENGINEERING VIRTUAL UNIVERSITY

2018 – 2022

I hold a BS in Software Engineering from virtual university, graduated in 2022. My studies focused on software development, web, and mobile app design.

INTERMEDIATE BISE GUJRANWALA

2012 – 2014

I studied the basics of computer science, which laid a strong foundation for my further studies and career in technology.

GRAPHIC DESIGN COURSE PEPTech COLLEGE GJW

Sept 2015 – DEC 2015

After completing my Intermediate studies, I enrolled at Peptech College, enhancing my skills in various design areas. This strengthened my design abilities and prepared me for a career in digital design.
